Department of Commerce, Community, and Economic Development Division of Community and Regional Affairs Division of Community and Regional Affairs

Subject of RPL: State of Alaska COVID-19 Community Distribution	ADN/RPL #: 08-2020-0250
Amount requested: \$ 562,500,000.00	Appropriation Authority: Sec. 1 Ch 1 FSSLA 2019 Pg 5 Ln 28 (Community and Regional Affairs) Sec 1 Ch 8 SLA 2020 Pg 4 Ln 30 (Community and Regional Affairs)
Funding source: Federal Receipts (1002) FY2020 Operating (Supplemental Multi-year FY2020-2021)	Statutory Authority: AS 29.60.850 - 29.60.879, AS 37.05.315

PURPOSE

Multi-year (FY2020 – FY2021) federal authorization is required to expend increased federal revenues.

On March 27, 2020, Congress passed the federal act known as the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Section 601 of this Act established the Coronavirus Relief Fund with the stated purpose of distributing \$150,000,000,000 to states for, "necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19)".

Alaska will receive \$1,250,000,000 from this fund and will direct \$562,500,000 to communities for mitigation and recovery efforts. This equates to 45 percent of the funding received by the State of Alaska, pursuant to the provision in the CARES Act §601.

Funds will be distributed using established distribution methods and metrics to communities that qualified for the Community Assistance Program (CAP) for FY2020. The distribution is based on the CAP formula and adjusted for other anticipated impacts due to the COVID-19 public health pandemic. Beginning June 1, 2020, municipalities shall electronically submit, on the first day of each month, a report to the Office of Management and Budget (OMB) that lists the expenditures used to cope with the COVID-19 public health emergency.

PREVIOUS LEGISLATIVE CONSIDERATION

The Legislature has not considered a federal appropriation for contingency items. There are no previous RPLs for this activity.

TIMING ISSUES

The CARES Act was passed by Congress and signed into law on March 27, 2020. The Alaska State Legislature recessed on March 29, 2020. Given the timing of the CARES Act and passage of the FY21 Budget, the Governor's Office did not have enough information to request an appropriation during the current legislative process.

Communities in Alaska are in need of immediate response funds. The Administration requests that the legislature respond to this RPL no later than April 29, 2020 so that distribution to local governments can begin on May 1, 2020.

PURPOSE

Multi-year (FY2020 – FY2021) federal authorization is required to expend increased federal revenues.

On March 27, 2020, Congress passed the federal act known as the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Section 601 of this Act established the Coronavirus Relief Fund with the stated purpose of distributing \$150,000,000,000 to states for, "necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19)"

Alaska has received \$1,250,000,000 from this fund and will direct \$300,000,000 to small business relief. The Investments Section of the Department of Commerce, Community and Economic Development will temporarily bolster their existing loan programs to provide support to struggling small businesses and may distribute funding through the reimbursable services agreement (RSA) process to the Alaska Housing Finance Corporation (AHFC), and the Alaska Industrial Development and Export Authority (AIDEA) as needs arise.

Loans will be made through existing programs to entities in need of financial support as a result of the ongoing COVID-19 Public Health Emergency. Certain requirements of receiving loans may be waived as part of this process. The goal of this funding element is to put money in the hands of these businesses to avoid foreclosure while the crisis passes.

PREVIOUS LEGISLATIVE CONSIDERATION

The Legislature has not considered a federal appropriation for contingency items. There are no previous RPLs for this activity.

TIMING ISSUES

The CARES Act was passed by Congress and signed into law on March 27, 2020. The Alaska State Legislature recessed on March 29, 2020. Given the timing of the CARES Act and passage of the FY21 Budget, the Governor's Office did not have enough information to request an appropriation during the current legislative process.

FY2020 Operating (Supplemental Multi-year	
FY2020-2021)	

PURPOSE

Multi-year (FY2020 – FY2021) federal authorization is required to expend increased federal revenues.

On March 27, 2020, Congress passed the federal act known as the Coronavirus Aid, Relief, and Economic Security Act or the CARES Act. This act includes funding for Elementary and Secondary School Emergency Relief Funds and Governor's Emergency Education Relief Funds.

The Education Stabilization funds must be used by Local Education Agencies for any activity authorized by the Elementary and Secondary Education Act (ESEA), Individuals with Disabilities Education Act (IDEA), the Adult Education and Family Literacy Act, the Perkins Career and Technical Education Act, or the McKinney-Vento Homeless Assistance Act, in addition to a list of other allowable uses of funds. Ten percent of the funding may be set aside for State Education Agency uses and activities related to coronavirus. The State of Alaska's allocation is estimated to be \$38,408,000.

The Governor's Emergency Education Relief Fund must be used for emergency grants to Local Education Agencies that are significantly impacted by coronavirus, or to support other education related entities within the State deemed essential for carrying out emergency educational services. The State of Alaska's allocation is \$6,503,527.

Both portions of funding require applications for funding be submitted to the U.S. Department of Education. Instructions on the application process, the deadline for submitting the application, and reporting requirements for use of the funding is forthcoming from the U.S. Department of Education.

The actual amount of funding that will be allocated to the State of Alaska is unknown at this time; therefore, the Department of Education and Early Development (DEED) is requesting \$48,000,000 of Federal receipt authority based on the estimated allocation of \$44,911,527.

PREVIOUS LEGISLATIVE CONSIDERATION

The Legislature has not considered a federal appropriation for Elementary and Secondary School Emergency Relief Funds and Governor's Emergency Education Relief Funds from the CARES Act. DEED's existing appropriation of federal authority is not sufficient to collect and distribute this funding. There are no previous RPLs for this activity.

RPL# 05-2020-0074 Page 2 of 2

TIMING ISSUES

The CARES Act was passed by Congress and signed into law on March 27, 2020. The Alaska State Legislature recessed on March 29, 2020. Given the timing and lack of guidance provided by the U.S. Department of Education, DEED did not have enough information to request an appropriation during the current legislative process.

The funds are anticipated to become available on April 24, 2020 and will be available for obligation through September 30, 2021. Additional federal authority is necessary now to distribute funding to the Local Education Agencies as quickly as possible.

BUDGETARY ISSUES

No new positions will be added, and funding will not be used to pay for existing positions within DEED.

FY2020 Operating (Supplemental Multi-year	
FY2020-2021)	

PURPOSE

Multi-year (FY2020 – FY2021) federal authorization is required to expend increased federal revenues.

On March 18, 2020, Congress passed Phase 2, HR 6201, known as the Families First Coronavirus Response Act or the FFCRA. This act included increased funding for the Commodity Assistance Program. Specifically, \$450 million for the Emergency Food Assistance Program (TEFAP) including \$150 million for costs associated with the distribution of commodities. The Department of Education & Early Development (DEED) acts as the Distributing Agency for the USDA Commodity Program. Eligible outlets include schools and residential childcare institutions participating in the National School Lunch Program, child care centers participating in the Child Care Food Program, approved sponsors of a Summer Food Service Program, food banks, food pantries, soup kitchens, etc.

In addition, on March 27, 2020, Congress passed the federal act known as the Coronavirus Aid, Relief, and Economic Security Act or the CARES Act. This act included funding for the Domestic Food Programs Food and Nutrition Service Child Nutrition Programs. Specifically, \$8.8 billion nationally in additional funds through September 30, 2021 to support federal child nutrition programs to ensure students receive meals when school is not in session. These programs include the National School Lunch and Breakfast Programs, the Special Supplemental Nutrition Program for Women, Infants and Children (WIC), the Child and Adult Care Food Program (CACFP) and the Summer Food Service Program (SFSP), all of which have received additional flexibilities and are seeing increased demand in response to the coronavirus.

School nutrition programs across Alaska are meeting the unexpected feeding needs in their communities. School districts are providing meals to students regardless of the student's eligibility. The feeding of all students during this health pandemic helps both families and communities who are facing many economic issues as a result of the coronavirus.

The actual amount of funding that will be allocated to the State of Alaska is unknown at this time; therefore, the Department of Education and Early Development (DEED) is requesting \$5,000,000 of federal receipt authority. This amount is based on the three-year average shortfall that school districts traditionally face from the federal reimbursement of school meals and end up having to offset their school nutrition budget with general funds (approximately \$3,000,000 for a three-month period), plus an additional amount to cover serving meals to all students regardless of their eligibility (approximately \$2,000,000).

PREVIOUS LEGISLATIVE CONSIDERATION

The Legislature has not considered a federal appropriation for the Commodity Assistance Program from the FFCRA or the Domestic Food Programs Food and Nutrition Service Child Nutrition Programs from the CARES Act. DEED's existing appropriation of federal authority is not sufficient to collect and distribute this funding. There are no previous RPLs for this activity.

TIMING ISSUES

The FFCRA was passed by Congress and signed into law on March 18, 2020. In addition, the CARES Act was passed by Congress and signed into law on March 27, 2020. The Alaska State Legislature recessed on March 29, 2020. Given the timing and lack of guidance provided by the U.S. Department of Agriculture, DEED did not have enough information to request an appropriation during the current legislative process.

The funds are anticipated to become available during FY2020 and will be available for obligation through September 30, 2021. Additional federal authority is necessary now to distribute funding to the Local Education Agencies as quickly as possible.

BUDGETARY ISSUES

Distribution of funding will be allocated based on participation rates in each school district. No new positions will be added, and funding will not be used to pay for existing positions within DEED.

Funding source: Federal Receipts (1002) FY2020 Operating (Supplemental Multi-year FY2020-2021)	Statutory Authority: AS 44.27.050, AS 44.27.052

PURPOSE

Multi-year (FY2020 – FY2021) federal authorization is required to expend increased federal revenues.

On March 27, 2020, Congress passed the federal act known as the Coronavirus Aid, Relief, and Economic Security Act or the CARES Act. With the \$75 million appropriated to the National Endowment for the Arts (NEA) through the CARES Act, the nonprofit arts industry is recognized as an important sector of America's economy.

This NEA funding will be used for grants to community arts organizations, local arts agencies, and network arts partners for emergency relief in response to COVID-19 to sustain operations and allow for modification and adaptation of delivery of services. As part of this important investment, the NEA has designed a plan to expedite the distribution of critical funds to the national, regional, state, and local levels to help retain as many jobs as possible, as quickly as possible. These funds are intended to help save jobs in the arts sector and keep the doors open to the thousands of organizations that add value to America's economy and the creative life of our communities.

Use of these funds is limited to any or all of the following: (1) salary support, full or partial, for one or more positions that are critical to an organization's artistic mission; (2) fees for artists and/or contractual personnel to maintain or expand the period during which such persons would be engaged; and/or 3) facilities costs such as rent and utilities.

For the Alaska State Council on the Arts (ASCA), since the grant permits, a portion will be used to fund a vacant ASCA Fine Arts Administrator position to help administer this significant increase in grant activity, in addition to ASCA's existing grants portfolio.

An application is required for this funding, and that deadline is April 22, 2020. ASCA will know by June 30, 2020 of grant award acceptance or rejection. Instructions on the application process, the deadline for submitting the application, and reporting requirements for use of the funding is posted on the NEA's website (https://www.arts.gov/grants-organizations/CARES/grant-program-description).

The ASCA is expecting \$421,500 in federal CARES Act funding from the NEA.

PREVIOUS LEGISLATIVE CONSIDERATION

ASCA's existing appropriation of federal authority is not sufficient to collect and distribute this funding as this is an addendum to ASCA's FY2020 federal partnership agreement (federal fiscal year 2019). There are no previous RPLs for this activity or project that have been proposed by ASCA.

TIMING ISSUES

The CARES Act was passed by Congress and signed into law on March 27, 2020. The Alaska State Legislature recessed on March 29, 2020. Given the timing and lack of guidance provided by the NEA, ASCA did not have enough information to request an appropriation during the current legislative process. Documentation of the amount of funding became available in an email to the Executive Director from the State Arts Director at the NEA on April 8, 2020. The award packet will follow in a few weeks. The funds are imminent as State Arts Agencies across the nation are also receiving similar funding and are listed as such on the NEA's website. Funds will be available to draw down before June 30, 2020. The funds do not lapse, and they can be extended until spent if not expended by September 30, 2022.

If disapproved Alaska's portion of federal relief funds will be redistributed to other states and Alaska's creative sector and jobs, which are linked with tourism, education, and other sectors, will struggle to recover

BUDGETARY ISSUES

These federal funds do not affect the general funds, because they do not require a match. They are not a replacement for the general funds.

This is a one-time request for receipt authority in response to COVID-19 relief funds. There are no indirect cost recovery or fees for services or other considerations in addition to this request.

PURPOSE

Through the Federal CARES Act \$300,000,000 is being allocated to the National Fisheries Marine Service who will distribute funding to states to provide assistance to subsistence, charter/guide, and commercial fishery participants affected by COVID-19. The Alaska Department of Commerce, Community, and Economic Development (DCCED) is expecting to receive \$100,000,000 to distribute to Alaskan fishery participants and will coordinate closely with the Department of Fish and Game in coordination of the program. DCCED does not know the exact impact of COVID-19 on the Alaska fisheries but is expecting substantial reductions in revenue for the charter/guide and commercial fishery sectors and potential limitations on harvest opportunities for subsistence fisheries. The CARES Act funding will benefit Alaska fishery participants who have incurred losses as a direct or indirect result of COVID-19.

Once the federal government determines the allocation of funds to Alaska, the state will be responsible for administering the federal grant, developing payment eligibility criteria and distributing the funds to eligible participants.

PREVIOUS LEGISLATIVE CONSIDERATION

No previous legislation has been submitted for this because the CARES Act was drafted and enacted in March 2020.

TIMING ISSUES

Due to the immediacy of restarting the economy due to COVID – 19, these funds are expected to be allocated to states in spring 2020 to early summer 2020. As soon as funding is available, the state will receive funds through a federal grant and distribute the funds to eligible fishery participants in late summer 2020 to early fall 2020.

BUDGETARY ISSUES

The CARES Act authorizes up to two percent of the funds to be used for administration and oversight activities.

PURPOSE

The Coronavirus Aid, Relief, and Economic Security (CARES) Act provides assistance to state and local law enforcement to assist in preparing for and responding to COVID-19. Specifically, the Act includes \$850 million for the Byrne-Justice Assistance Grant Program (Byrne-JAG). The JAG Program provides states, tribes, and local governments with critical funding necessary to support a range of program areas including law enforcement, prosecution, indigent defense, courts, crime prevention and education, corrections and community corrections, drug treatment and enforcement, planning, evaluation, technology improvement, and crime victim and witness initiatives and mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams.

PREVIOUS LEGISLATIVE CONSIDERATION

There have been no previous RPLs or any other legislative consideration of this request, as funding was made available in response to the COVID-19 pandemic and was not included in the Department's budget request.

TIMING ISSUES

This funding was unanticipated, as were the severity and extensive ramifications of the COVID-19 pandemic. An application to the US Department of Justice (USDOJ) is in progress. Award details are currently developing. Due to the immediate nature of the circumstances, approval is needed as soon as possible.

BUDGETARY ISSUES

This funding is anticipated to be relatively short-term in nature, but it supports the Department's core mission to protect the life, health, and safety of Alaskans, and recognizes that there will likely be an increased demand for service. Funds have not been awarded or spent to date. Current and future budget impacts have not yet been determined, nor have the specific use of funds or deployment of department personnel.

	• 23 U.S.C. § 101 Highways

PURPOSE

On March 27, 2020, Congress passed the federal act known as the Coronavirus Aid, Relief, and Economic Security Act or the CARES Act. This act includes funding for Federal Transit Administration grants to non-urbanized areas.

The Department of Transportation & Public Facilities (DOT&PF) is requires \$29,000,000 in additional Federal Receipt authority to cover costs associated with the Federal Transit Administration programs incurred due to the COVID-19 pandemic for non-urbanized Areas.

CARES Act funds are available for operating expenses for all Federal Transit Administration 5311 recipients (non-urbanized areas), including administrative leave for transit workers. Operating expenses are those costs necessary to operate, maintain, and manage a public transportation system.

The Alaska Marine Highway System (AMHS) is eligible to receive a portion of the funding from the Federal Transit Authority from the CARES Act (anticipated at \$10.0 million). These funds will be used to pay for COVID-19 eligible costs incurred starting March of 2020. Funds are to prevent, prepare and respond to COVID-19 with a focus on operational expenses. This funding will cover employee's leave charged as COVID-19 admin leave and will pay salaries for employees who are not required to work due to reductions in service levels. Funding can also be used to purchase cleaning and sanitizing supplies and personnel protection equipment. There is no match required for these funds when used for operating expenses.

PREVIOUS LEGISLATIVE CONSIDERATION

No previous RPLs have been requested for this purpose. The FY2020 Statewide Federal Program budget appropriation includes \$10,000,000 for Federal Transit Administration Grants.

TIMING ISSUES

These federal funds are a result of the COVID-19 pandemic and were made available after the Legislature recessed.

BUDGETARY ISSUES

This request is directly aligned with the mission of DOT&PF to keep Alaska moving through service and infrastructure. These funds are one-time only funds made available to help states deal

PURPOSE

Multi-year (FY2020 – FY2021) federal authorization is required to expend increased federal revenues.

Approximately \$10 billion in grants for airports are available under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The Federal Aviation Administration (FAA) intends to award grants and obligate these funds on an expedited basis. CARES Act Airport Grants will be used for statewide aviation and rural airport system operating and maintenance expenses, where additional expenditure needs have occurred due to the COVID-19 public health emergency.

This funding will be used at state owned airports to prevent, prepare for, respond to, and reduce the adverse impacts of the current public health emergency. Funding will be allocated to the Commissioner's Office within the department and will be allocated to various allocation via the Reimbursable Services Agreement (RSA) process as detailed in the below table.

TIMING ISSUES

The FAA encourages airport sponsors to spend funds expeditiously to reduce the adverse impacts of the current public health emergency. The funding is required to allow the rural airport system to continue maintenance and operations work while mitigating impacts from the COVID-19 public health emergency.

BUDGETARY ISSUES

This funding will allow for stability in the Statewide Aviation Program as well as ensure continuity in the operations and maintenance of state-owned airports.

Funding source: Federal Receipts (1002) FY2020 Operating (Supplemental Multi-year FY2020-2021)	Statutory Authority: Article VII, Sec 2, Alaska State Constitution, AS 14.40

PURPOSE

Multi-year (FY2020 – FY2021) federal authorization is required to expend increased federal revenues.

The Coronavirus Aid, Relief and Economic Security (CARES) Act created the Education Stabilization Fund. The Higher Education Emergency Relief Fund (section 18004(a)(1)), under the Education Stabilization Fund, provides grants directly to higher education students and institutions.

The University of Alaska (UA) received notification of the availability of the first 50% (\$3,940,000) of the total funds (\$7,885,000) UA campuses (UA Anchorage, UA Fairbanks and UA Southeast) will be receiving directly from the Higher Education Emergency Relief Fund. This first 50% can only be used for emergency financial aid grants to UA students, and cannot be used for any institutional costs or to recoup student aid already provided by institutions. The other 50% of UA's allocation is not expected for several more weeks and additional guidance on eligible uses is expected at that time.

PREVIOUS LEGISLATIVE CONSIDERATION

The increased need for federal receipt authority was not anticipated during the legislative session, thus not requested.

TIMING ISSUES

Additional federal funds are expected from the U.S. Department of Education directly to UA and to students through UA via the federal student aid grant system. In order to receive and expend these funds, UA requests an additional \$5 million in federal receipt authority in both FY2020 and FY2021.

BUDGETARY ISSUES

This budget request relates directly to UA's ability to receive needed federal aid and provide federal aid to students suffering losses due to the current pandemic. There will be no on-going cost related to this temporary increase to UA's federal receipt authority.
