Eagle River, Alaska 99577

COMPUTER PROGRAM EXPERIENCE

- + AutoCAD Civil 3D (Corridor modeling, assemblies, surfaces, grading, feature lines, pipe networks, etc.)
- + Autodesk Subassembly Composer
- + ArcGIS
- + Fusion 360
- + HEC-HMS/ HEC-RAS
- + Microsoft Office (Access, Excel, PowerPoint, Project, Publisher, Visio, Word)
- + MATLAB
- + ProjectWise
- + Vault

CERTIFICATIONS

- + State of Alaska, Registered Professional Civil Engineer (License #: 162888)
- + Alaska Certified Erosion and Sediment Control Lead (AK-CESCL)
- + CPR Certification
- + First Aid Certification

STRENGTHS

- + AutoCAD Civil 3D
- + Geometric design
- + Construction/ Project management
- + Spent extended periods in rural Alaskan communities.
- + Organization skills

EDUCATION

- UNIVERSITY OF ALASKA ANCHORAGE** 2015 - Present
+ Master of Civil Engineering, focus in Arctic Engineering.
- UNIVERSITY OF ALASKA FAIRBANKS** 2016 - 2019
+ Master of Business Administration
- OREGON STATE UNIVERSITY** 2011 - 2016
+ Bachelor of Science, Civil Engineering
+ Bachelor of Science, Finance
