

**Sen. Dan Sullivan** ✓ @SenDanSullivan · Feb 4

As we see the number of cases of the novel coronavirus increase, I encourage Alaskans to remain calm but very vigilant. Health & Human Services @SecAzar recently said, "The risk to Americans remains low, and we are working to keep it that way."

**CDC** ✓ @CDCgov · Feb 2

#HCPs: See the newest CDC Health Update on 2019 novel #coronavirus, updating interim guidance for:

- caring for 2019-nCoV patients,
- evaluating and testing of patients under investigation, and
- preventing and controlling #2019nCoV infection.
