

TRUMP: It seems like -- it was a lot of fun. It's always a lot of fun, when you win.

(LAUGHTER)

If you work hard and lose, that's not acceptable. But I'm just going to name a few names, and then some of them will come up -- but people that I saw so much over the last month, and really, over the last almost year. Because, when you think of it, we haven't even been a year and we did the largest tax cut in our history.

We -- I hate to say this, but we essentially repealed Obamacare, because we got rid of the individual mandate, which was terrible.

(APPLAUSE)

TRUMP: And that was a primary source of funding of Obamacare.

And ANWR. So a friend of mine -- oh congratulations.

(LAUGHTER)

And Dan, where's Dan?

(UNKNOWN): Don. Don. Right behind you.

TRUMP: No, and Don too. (OFF-MIKE)

I'll tell you between Dan and Don and Lisa, you've done a very great job.

So a friend of mine called up about ANWR. He's in the office (ph). He said, "You didn't get ANWR?" And I said, "Tell me about ANWR." He said, "We've been trying to get that passed, the whole country, the world. They tried in Ronald Reagan, they tried with the Bushes, they tried with everybody. They never got ANWR." But we got ANWR in this bill.

(APPLAUSE)

So have ANWR, we have mandate, and we have the tax cut and we have the reform. I mean, when you add up the size of this bill, it's really great.

So Lisa, thank you very much. Lisa Murkowski.
