A photo from DOA's briefing today of [Representative Andi Story](#) on the contracts for the Pandemic Preparedness Plan, which uses federal COVID funds to improve telework capabilities for public employees to enable compliance with COVID-19 health precautions.

There's been some questions and misinformation about contracts around this PPP, especially perpetuated by "floggers" (Fake-news bLOGGERS.) I greatly appreciate Rep. Story's consistent, genuine interest in knowing the truth and seeking the full story.
