

>> **STAND with Governor Dunleavy**

>> **Keep delivering WINS for Alaska!**

If we allow far-left obstructionists and special interests groups to dictate our lives and elections, we will no longer have a legitimate Republic.

We need Governor **Dunleavy** in office to fend off these constant attacks and others from the Lower 48. We need YOUR help to **keep** Governor **Dunleavy** fighting for Alaska.

[Please – chip in whatever generous amount you can today.](#)

We will **keep** Alaska winning together!
