Recently doctors in Italy discovered that the COVID is not a virus at all... Instead it's a bacteria that causes blood clots... nevertheless... Many of the elite Democrats IN WASHINGTON DC have gotten rich from your willingness to jeopardize your life by taking the vax...

More studies show that simple aspirin could've kept victimS of Covid from dying and the WHO, CDC knew that!

These are reasons why Biden wants to stop all research claiming that the Wuhan lab created the virus...Which was never a virus!!
