Kate,

With mixed feelings I am resigning today from the State Officers Compensation Commission Board. Several members of Senate Leadership have held up salary increases for the Governor, Lt. Governor, and a number of department heads. Our recommendations were in the form of cost-of-living adjustments for 5-10 years.

For new members it can be found in our most recent Findings and Recommendation – January 24, 2023. The Senate rejected it. Separately, we came up with increases for the Legislature. That was also rejected. To the best of my knowledge, Legislative increases have never been rejected.

I have enjoyed working with you and your staff, our board members and Jordan, Anna, and Laura. Please forward my resignation to them.

Kurt Olson
