ENDORSEMENT ALERT

The [ANCSA Regional Association](#) (ARA) – which represents the 12 Alaska Native regional corporations – today announced its endorsement of Senator Dan Sullivan (R-Alaska) for reelection.

“Senator Dan Sullivan has a proven record of effective advocacy for Alaska and ARA’s membership. To our collective benefit, he has elevated the level of understanding of the role of Alaska Native corporations, our contributions to Alaska’s economy, and how we provide benefits to our Alaska Native shareholders and descendants. We are fortunate that he has used his position in the Senate to bring awareness to how truly different Alaska is from the rest of the country.” – Kim Reitmeier, Executive Director of [ANCSA Regional Association](#)
