

APPENDIX C

Article 1. Services to be performed by the Contractor

Article 1.1. At the specific direction of the Attorney General's Office or Chief of Staff for the Governor, Contractor Brownstein Hyatt Farber Schreck LLP, the contractor, will assist the Office of the Governor on federal issues with Congress and other federal agencies. Approximately half of the contractor's work will focus on issues relating to the State's ability to protect, manage, and develop its natural resources, and approximately half will encompass the general issues important to the State of Alaska. The contractor will provide two separate invoices representing these two bodies of work.

It is agreed between the parties that the State shall determine the scope of the services to be rendered by the Contractor. It is further agreed that the State may require a separate contract on any matter which, in its judgment, may be sufficiently complicated or prolonged to justify a separate contract.
