STATE OF ALASKA

June 10, 2020

The Honorable John Henderson
Assistant Secretary of the Air Force
1670 Air Force Pentagon
Washington, D.C. 20330-1670

Dear Secretary Henderson,

On behalf of the people of Alaska, and specifically Anchorage, Alaska, I am submitting our request for consideration to host the headquarters of the United States Space Command. After careful review of the screening and evaluation criteria, I believe our community meets all minimum eligibility requirements and would earn a competitive score when assessed against the evaluation criteria.

We would like to work with your team through the evaluation phase over the coming months. Our direct point of contact for this action is Mark D. Lester, President and CEO of Alaska Aerospace Corporation and he can be reached at (907) 561-3338.

Sincerely,
